

# SUMMER CAMPS 2013

- Torjager Hockey Camps**
- Our 13th year.** Our business has a solid reputation for teaching methods that produce results!
  - Our on-ice program.** This takes a skills approach; designed to challenge players of all levels and develop the core skills required to play the game.
  - Our Camps.** They are great for learning without getting bored. We provide camps to achieve this. We find the players are excited to get back on the ice and they improve as the week goes on... Teaching is No.1.
  - Our Staff.** Each of our instructors have played high level hockey and most have University degrees. They are highly trained and experienced and very passionate about teaching this great game!
  - Our Students.** Visit our web site to read testimonials sent to us from players and parents describing their experiences with Torjager Hockey.
  - The Details.** We take pride in all details; on and off ice.
